ATTUD Treatment Program Website Listing: Application Form

This form is intended to provide a mechanism by which treatment providers and programs can apply to list their services on the ATTUD web site (www.attud.org). Those seeking treatment resources will be able to review the listed treatment programs for suitability.

Please complete the following form describing your Tobacco Dependence Treatment Program. Please answer all questions, providing detailed information (the table will expand to accommodate your responses). Please **do not** send any supplemental materials unless this is specifically requested.

The ATTUD Review Panel will evaluate submissions to determine if all categories have been answered and whether any clarifications are required. Applications will be denied for the following reasons:
1. Gross misrepresentation, false, or misleading claims of the program and its treatment protocols.
2. Primary or substantial use of non-evidence based treatment components.
3. Relationship (financial or otherwise) with the tobacco industry.

If the submission meets ATTUD's standards for listing, the program contact will be so notified. Your program's description will be provided as a viewable and / or downloadable PDF file from ATTUD's website.

Inclusion on this list does not imply endorsement by ATTUD. ATTUD reserves the right to exclude programs based on the criteria stated above. A review panel appointed by the ATTUD Board of Directors will perform these reviews. If you have questions, feel to contact program has been the ATTUD Communications Chairperson (contact information can be found at www.attud.org).
